

CURRICULUM VITAE

A. Personal Information:

Ricky N. Bluthenthal, Ph.D.
Institute for Health Promotion and Disease Prevention
Research
Division of Health Behavior Research
Department of Preventive Medicine
Keck School of Medicine
University of Southern California
Soto Street Building – SSB, Room 302R
2001 N. Soto Street, MC 9239
Los Angeles, CA 90033
Business Phone (323) 442-8236
Business Fax (323) 442-8201
Place of Birth Los Angeles, California
Date of Birth March 06, 1965
Citizenship United States
E-Mail Addresses rbluthen@usc.edu
Languages English
Gender Male
Marital Status Married (Nancy Berglass)
Number of Children 2 (Maya R. Bluthenthal; Cleo S. Bluthenthal)

B. Education:

High School Bishop Amat Memorial High School, La Puente, California, 1982
College or University University of California, Santa Cruz, Santa Cruz, California, BA (History and Sociology), 1986
Graduate School University of California Berkeley, Berkeley, California, MA (Sociology), 1990
University of California Berkeley, Berkeley, California, Ph.D. (Sociology), 1998
Medical School None
Honors and Awards **Distinguished Scientific Contributions to Public Interest.** Society of Addiction Psychology (Division 50), American Psychological Association. 2018.
Excellence in Abstract Submission among All Presenters Award. “Factors associated with refusing to initiate others into injection drug use: A mixed method study with people who

inject drugs in Los Angeles and San Francisco, CA, USA, 2011-13." HIV/AIDS Section. American Public Health Association Annual meeting. November 2017.

Outstanding Reviewer (Top 10%), *American Journal of Preventive Medicine*, March 2015.

Outstanding Reviewer (Top 10%), *International Journal of Drug Policy*, November 2014.

An Outstanding Reviewer (Top 5%), *Drug and Alcohol Dependence*, 2010, June 2014.

Founders Award. *HIV Education Prevention Project of Alameda County.* Oakland, California. November 2012.

Top Ten Cited Article 2006-2008, *International Journal of Drug Policy.* For Coverage of HIV prevention programmes for injection drug users: Confusions, aspirations, definitions and ways forward. *International Journal of Drug Policy.* 2007; 18:92-98.

Article of the Month International Harm Reduction Association. Sterile syringe access conditions and variations in HIV risk among drug injectors in three cities. *Addiction.* 2004;99(9):1136-46. November 2005 on the website of the (www.ihra.net).

Junior Scholar Award, Drinking and Drugs Division, Society for the Study of Social Problems, 2004.

President's Award, RAND Corporation, 2004.

A&PS Outstanding Performance Award, School of Medicine, UC San Francisco, 1994-95.

Louise Patterson Academic Achievement Award, UC Berkeley, 1990-1995.

Fellow, Ford Foundation Predoctoral Fellowship Program, 1989-1992.

Honorable Mention, NSF Minority Graduate Fellowship Program, 1989.

Graduate Research Trainee, Institute for the Study of Social Change, UC Berkeley, 1988.

Alternate, 1986-1987 State Senate Fellow program, California Legislature, Sacramento. 1986.

Honors in the Major, Sociology, UC Santa Cruz, June 1986.

Merrill College Service Award, UC Santa Cruz, June 1986.

Fellow, Sloan Foundation Minority Public Policy Program, UC Berkeley, 1985.

Christian Service Leadership Award, Bishop Amat High School, La Puente, CA, June 1982.

C. Professional Background:

Academic Appointments

Professor of Preventive Medicine, Clinical Scholar, Health Behavior Division, Institute for Prevention Research and Health Promotion, Keck School of Medicine, University of Southern California, Los Angeles, California. December 2012 to present.

Visiting Professor, Department of Preventive Medicine, Health Behavior Division, Institute for Prevention Research and Health Promotion, Keck School of Medicine, University of Southern California, Los Angeles, California, July 2010 to December 2012.

Senior Social Scientist (Associate - 1998 to 2001; Full - 2002 to 2004, Senior - 2005 to 2010), RAND Corporation, Health Program, Santa Monica, CA, 1998-2010.

Professor (with tenure), Sociology Department, California State University Dominguez Hills, Carson, CA, 2006-2010.

Assistant Professor, Department of Psychiatry and Human Behavior, Charles R. Drew University of Medicine and Science, Los Angeles, CA, 1998-2005.

Associate Specialist, Department of Family and Community Medicine, University of California San Francisco, San Francisco, CA, 1996-1998.

Specific Teaching Responsibilities

Preventive Medicine 538: Program Evaluation. Department of Preventive Medicine, University of Southern California, Fall 2013-18.

Preventive Medicine 587: Qualitative Research Methods in Public Health. Department of Preventive Medicine, University of Southern California, Spring 2013, 2015, 2017.

Health Promotion 200: Introduction to Health Promotion and Disease Prevention, Health Promotion Department, University of Southern California, Spring 2011 & 2012; Fall 2012-17.

Sociology 302/502: Workshop in Social Research, Sociology Department, California State University Dominguez Hills, Spring 2006-09.

Sociology 305: Sociological Research Methods, Sociology Department, California State University Dominguez Hills, Fall 2006-2008.

Sociology and Policy Research, Pardee RAND Graduate School, Summer 2002; Fall 2005.

Specific Administrative Responsibilities

Dean (Interim), Graduate Studies and Research, Academic Affairs Division, California State University Dominguez Hills, Carson, CA, 2009-2010

Chair (Interim), Sociology Department, California State University Dominguez Hills, Carson, CA, 2009

Director, Urban Community Research Center, California State University Dominguez Hills, Carson, CA, 2006-2010

Core Director, Drew/UCLA Project Export Center. (PI: Keith Norris, NCMHD). 2002-2007.

Core Director, Drew Center for AIDS Research, Education, and Services. (PI: Eric Bing, UARP/CHRP). 2000-2005.
Associate Core Director, Center for HIV Prevention, Treatment, and Services. (PI: Mary Jane Rotheram, NIMH). 1998-2000.

Students

Early career

Tyler Mason, Ph.D., Assistant Professor, Department of Preventive Medicine, Keck School of Medicine. University of Southern California. 2017 to present.
Jill Johnston, Ph.D., Assistant Professor, Department of Preventive Medicine, Keck School of Medicine. University of Southern California. 2017 to present.
Matthew Fitzpatrick, Ph.D., Assistant Professor, Department of Preventive Medicine, Keck School of Medicine. University of Southern California. 2015 to present.
Annie Nguyen, Ph.D., Assistant Professor, Department of Family Medicine, Keck School of Medicine, University of Southern California. 2015 to present.
Joel Milam, Ph.D., Associate Professor of Research, Department of Preventive Medicine, Keck School of Medicine, University of Southern California. 2014 to present.
Mellissa Withers Ph.D., Ph.D., Assistant Clinical Professor, Department of Preventive Medicine, Keck School of Medicine, University of Southern California. 2014 to present.
Olga Solomon, Ph.D., Assistant Professor of Occupational Science and Occupational Therapy, University of Southern California, 2012 to 2017.
Carl Sneed, Ph.D., Associate Professor, California State University Dominguez Hills, Minority AIDS Research Initiative, CDC. 2008 to 2010.
Nina Harawa, Ph.D., Assistant Professor, Charles Drew University. CDC. 2009 to 2013.
E. Maxwell Davis, Ph.D., Assistant Professor, California State University East Bay & formerly doctoral candidate School of Social Work, University of Southern California. Health Disparities Scholars: National Institutes of Health. 2008 to 2012.

Postdoctoral

Leah Stein, Ph.D., Postdoctoral Fellow, School of Occupational Therapy, University of Southern California. 2014 to 2017.
James Thing, Ph.D., Postdoctoral Fellow, USC, 2011 to 2014.
Jessica A. Fehringer, Ph.D., Postdoctoral Fellow, USC, 2011.
Karla Wagner, Ph.D., Postdoctoral Fellow, UC San Diego. 2009 to 2010.
Keith Heinzerling, M.D., Assistant Clinical Professor, UCLA Department of Family Medicine, RWJ Clinical Scholars Program, UCLA & Health Disparities Scholars: National Institutes of Health. 2003-05.
Keisha Paxton, Ph.D., Associate Professor, Psychology Department, California State University Dominguez Hills, Health Disparities Scholars: National Institutes of Health & Postdoctoral Fellowship, UCLA Research Training on Service Systems for Persons with AIDS Fellowship. 2003-05.
Sheba George, Charles Drew University. Postdoctoral Fellowship, UCLA Research Training on Service Systems for Persons with AIDS Fellowship. 2002-04.
Didra BrownTaylor, Ph.D., Assistant Professor, Department of Psychiatry, Charles Drew University. Health Disparities Scholars: National Institutes of Health. 2001-02.

Doctoral

- Christian Cerrado, "Evaluating user engagement in a smoking cessation mobile app." Health Behavior Research, Keck School of Medicine, USC. 2016 to present. Dissertation committee member.
- Tasha Perdue, "Two weeks down here is like a year: Applying a modified social ecological model to contextualize opiate use risk behaviors, and adverse outcomes in Skid Row, Los Angeles". School of Social Work, USC. 2016 to present. Dissertation committee member.
- Jaih Craddock, "Individual-level and social network-level associations on HIV prevention methods among young Black women aged 18 to 24." School of Social Work, USC 2015 to present. Dissertation committee member.
- Stephanie Raye Dyal, "Adolescent social networks, smoking and loneliness." Health Behavior Research, Keck School of Medicine, USC. 2013 to 2016. Dissertation committee.
- Derek Dangerfield. "Sexual positioning practices and sexual risk among Black men who have sex with men." Health Behavior Research, Keck School of Medicine, USC. 2013 to 2017. **Dissertation committee chair.**
- Michael Li, MPH. "Applications of mindfulness toward promoting psychosocial health in diverse communities." Health Behavior Research, Keck School of Medicine, USC. 2013 to 2017. **Dissertation committee chair.**
- Daniel Chu, MPH. "Trajectories of illicit drug use behaviors." Health Behavior Research, Keck School of Medicine, USC. 2011 to present. **Dissertation committee chair.**
- Eleanor Tate, "Effects of Parent Stress on Weight-related Parenting Practices and Child Obesity Risk" Health Behavior Research, Keck School of Medicine, USC. August 2015. Dissertation committee member.
- Daniel Werb, "Injection career trajectories among illicit drug users in Vancouver, Canada." Population and Public Health Graduate Program. The University of British Columbia. May 2013. External reviewer.
- Casey Durand, "Examining the effects of intrapersonal factors and the social and build environment on physical activity in adults and children: A latent variable approach." Health Behavior Research, Keck School of Medicine, USC. June 2012. Dissertation committee member.
- William Smalls, Dissertation entitled "Injection Settings and Drug-related Harm in Vancouver, Canada." Interdisciplinary Studies Graduate Program. The University of British Columbia. April 2010. External reviewer.
- Angela Hawken. "The Economics of Alternative Sentencing: Assessing the Substance Abuse and Crime Prevention Act." Pardee RAND Graduate School, RAND Corporation. 2006. Dissertation committee member.
- Alexis Martinez. "Criminalizing the drug user: Arrests, HIV risk, and implications for public health and sociology. Sociology Department. UC San Francisco. 2005. Dissertation committee member.
- Jerry O. Jacobson, "Neighborhood Effects on Substance Abuse Treatment Outcomes: Implications for NIMBY Disputes and Client Placement Decisions." Pardee RAND Graduate School, RAND Corporation. 2004. Dissertation committee member.

Medical Students

Johnthan Zhao. Correlates of non-medical use of methadone among people who inject drugs. Required Scholarly Project, Keck School of Medicine, University of Southern California. June 2017 to present.

Shona Lamb. Correlates of providing assisted injections among people who inject drugs. Required Scholarly Project, Keck School of Medicine, University of Southern California. Jan. 2015 to present.

Rebecca Simon-Freeman. Law enforcement as a force of public health: A mixed method analysis of the association between law enforcement encounters and syringe sharing among IDUs on Skid Row. Required Scholarly Project, Keck School of Medicine, University of Southern California. June 2012.

Masters

Veldafern Boykin McElroy. "The historical, environmental, familial and socio-economic conditions that hinder black males from obtaining a college degree." Sociology Department. California State University Dominguez Hills. 2009. Thesis committee member

Undergraduate

Luis Maldonado. USC. McNair Scholar and Provost's Research Fellowship recipient. 2011-13.

D. Society Memberships:

Professional

American Public Health Association, 1997 to present.

American Sociological Association, 1993 to present.

College on Problems of Drug Dependence, 2013 to present.

American Psychological Association Division 50, Society on Addiction Psychology, 2018 to present.

Pacific Sociological Association, 2007 to 2010.

Research Society on Alcoholism, 1999 to 2010

Society for the Study of Social Problems, 1998 to 2010.

E. Service:

Professional Organizations

National/International

Member, Distinguished Career for the Practice of Sociology Award Selection Committee, American Sociological Association. 2010-2012.

Member, Science Committee, National Harm Reduction Conference, 2008-2010.

Member, International Programme Advisory Group, International Conference on the Reduction of Drug Related Harm. 2005-2008.

Member, Minority Scholarship Award Committee, Society for the Study of Social Problems, 2001.

Local

- Member, Scientific Advisory Board, Health Disparities Research Core, Center for AIDS Research, UCLA. 2016 to present.
- Member, Scientific Advisory Board, Tobacco-Related Disease Research Program, University of California, Office of the President. September 2015 to present.
- Member, Scientific Advisory Board, Bienestar Human Services, 2012 to the present.
- Member, Program Committee, Pacific Sociological Association Annual Meeting. 2009.
- Member, California HIV/AIDS Research Program Advisory Council (formerly Universitywide AIDS Research Program). University of California Office of the President. 2007 to 2008.

University/Other Committees

USC

- Reviewer, Dean's Pilot Funding Research Program, Keck School of Medicine. 2017.
- Pilot Funding Executive Advisory Committee Member. Southern California CTSI. 2017-18.
- Appointment and Promotion Committee, Department of Preventive Medicine, Keck School of Medicine, 2017-18.
- University Research Committee, USC Academic Senate, 2016-18. Chair, 2017-18.
- Member, Research in Diverse Populations (RDP) Working Group (WG). California CTSA Education Consortium. June 2015 to present.
- Reviewer, External Proposal Review Clinics, The Graduate School, University of Southern California, Oct. 2015.
- Mentor, INTD 500: Responsible Conduct of Research, Keck School of Medicine (KSOM), USC, June 13-17, 2011; July 23 to 27, 2012; June 24-29, 2013, August 3-7, 2015.
- Voting Member, Institutional Review Board #2, KSOM, USC, April 2015 to present (Alternate member July 2011 to March 2015).
- Reviewer, Baxter Foundation Faculty Fellows Program. Keck School of Medicine, 2015.
- Member, Clinical Research Faculty Advisory Committee, 2014 to 2016.
- Panelist/Facilitator. Short course – Research in Diverse Urban Populations. Southern California-Clinical and Translational Science Institute (SC-CTSI). June 21, 2013.

Chair/Co-Chair, Community and Patient Outcomes Combined Review of Pilot Proposals, Southern California-Clinical and Translational Science Institute (SC-CTSI). Spring and Fall 2012, Fall & Spring 2013, Spring 2014, Fall 2016, Spring 2017.

Workshop participant. SC CTSI Workshop on Research in Diverse Urban Populations. March 16, 2012.

RAND Corporation

Regular Member, Human Subjects Protection Committee, RAND Corporation, Santa Monica, CA. (Alternate Member 2001 to 2004). 2001 to 2010.

Member, Goldhamer Award Committee (outstanding doctoral recipient), Pardee RAND Graduate School, RAND Corporation. 2004.

Member, Admission Committee, Pardee RAND Graduate School. RAND Corporation. 2004.

CSUDH

Member, Social Science Research and Instructional Center Committee, CSU wide, 2007-10

Ex-Officio Member, University Curriculum Committee, CSUDH, 2009-2010

Ex-Officio Member, Program Review Panel, CSUDH, 2009-2010

Ex-Officio Member, Graduate Council, CSUDH, 2009-2010

Ex-Officio Member, Academic Senate, CSUDH, 2009-10

Member, Academic Affairs Council, CSUDH, 2009-10

Member, African American and Latino Males Success Taskforce, CSUDH, 2009-10

Member, Post-Promotion Review Appeals Committee, CSUDH, 2008-2009

Member, Provost Search Committee, CSUDH, 2007-08

Member, College of Natural and Behavioral Sciences Advisory Council, CSUDH, 2007-09

Member, Tenure and Promotion Committee, College of Natural and Behavioral Sciences, CSUDH, 2006-07

Member, Tenure and Promotion Committee, Sociology Department, CSUDH, 2008-09

Member, Post-Promotion Review Committee, Sociology Department, CSUDH, 2007-08

Member, Program Assessment Committee, Sociology Department, CSUDH, 2006-09

Member, Research and Grants Committee, Sociology Department, CSUDH, 2006-07

Government Activities

Member, Subpart A Subcommittee, Secretary's Advisory Committee on Human Research Protections (SACHRP), Department of Health and Human Services. 2007-2008

The Marcy Speer Outstanding CSR Reviewer Award, Center for Scientific Review (CSR), NIH. August 2011.

NIH Study Section Chair

Chair, Health Disparities and Equity Promotion Study Section, NIH. February 2011 to June 2014.

Chair, Phased Services Research Studies of Drug Use Prevention, Addiction, Treatment, and HIV (R21/R33), NIH/NIDA. October 2012.

NIH, NSF, and CDC Study Sections

Standing Member. Behavioral and Social Science Approaches to Preventing HIV/AIDS Study Section. June 2016 to July 2018.

Member. National Center for HIV, STD, and TB Prevention Special Emphasis Panel – ZPS1 GCA(21)R. May 2015.

Ad hoc Member. AIDS and AIDS Related Research – ZRG1 AARR-F. March 2015.

Member. NIDA Avant-Garde Award Program for HIV/AIDS Research – ZDA1 GXM-A(63) – Phase 1. September 2014.

Member. State and Local Epidemiology Planning and Information Development, N01DA-12—5570. NIH/NIDA. April 2012.

Member. HIV/AIDS Implementation Science Targeting Drug Using Populations: PEPFAR (R01). NIH/NIDA. November 2011.

Member. Dissemination and Implementation Research in Health: Overflow Applications, ZRG DIRH-J. NIH. February 2011.

Ad hoc member, Community Influences on Health Behavior Study Section, Center for Scientific Review, NIH. February, June 2010.

Ad hoc member. Community Networks Program (U54) Review, Division of Extramural Activities, National Cancer Institute, April 2010.

Member. Substance Use and Abuse among U.S. Military Personnel, Veterans, and their Families. NIDA/NIAAA/Veterans Administration. March 2010.

Member. Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (R36 – Public Health Dissertation Research Panel), Centers for Disease Control and Prevention. December 2009.

Member. Behavioral and Social Science Approaches to Preventing HIV/AIDS – Competitive Supplement Review. CSR, NIH. July 2009.

Member. Special Emphasis Panel – Unintentional Poisoning From Prescription Drug Overdoses in Adults, National Center on Injury Prevention and Control, CDC. April 2009.

Member. Avant Garde Awards. NIDA, NIH. March 2009.

Ad hoc member. Risk, Prevention and Intervention for Addictions (RPIA) Study Section, CSR, NIH February and June, 2008.

Member. Special Emphasis Panel – Elimination of Health Disparities through Translation Research. CDC. 2008.

Ad hoc member. Center for Scientific Review, Special Emphasis Panel – Health of the Population, NIH 2007.

Member. Rapid Assessment Post Impact of Disaster. National Institute on Mental Health 2005.

Standing Member. Community Influences on Health Behavior (formerly Community-Level Health Promotion) Study Section, CSR, NIH. 2001-2006.

Ad hoc Member. Special Emphasis Panel (AIDS): AARR-7 01 S, CSR, NIH. 2000.

Foundation and other governmental grant reviews

North American Syringe Exchange Network Annual Funding Cycle. 2001-10.

Tides Foundation, Syringe Access Fund. 2007.

Behavioral Science Seed Grant Applications, UCLA AIDS Institute 2005; 2008.

Tides Foundation, Fund for Drug Policy reform's 2002 Target Area Subcommittee. 2002-03.

LA County Office of AIDS Program and Policy, HIV prevention proposals. 2000.

LA County Alcohol and Drug Program, Adolescent Drug Treatment (Non-residential). 2000.

Robert Wood Johnson Foundation, Substance Abuse Policy Research Program, 1998-2002.

Soros Harm Reduction Fellowship, The Lindesmith Center. 1998.

The Tides Foundation, George Williams Needle Exchange Fund. 1997-1998.

Alaska Science & Technology Foundation. 1996.

Santa Cruz County HIV Services Consortium. 1996.

Founding Member, Board of Directors, HIV Prevention and Education Project of Alameda County, 1994-98.

President of the Board, 1994-98.

Member, Alameda County Exchange, Oakland, CA., 1992-98.

Consultantships

Consultant, Beth Israel Medical Center, Chemical Dependency Unit, New York, NY. 2011-12.

Consultant, Syringe Services Programs (SSPs). Division of HIV/AIDS Programs, CDC. Atlanta, GA. August 2010.

Chair, Social institutions and social structures workgroup. Office on AIDS Research Social and Behavioral Research Think Tank, Washington, D.C., September 26-28, 2010.

Consultant, RTI International, Urban Health Program, San Francisco, CA. 2009-2013

Consultant, LA Community Health Outreach Program (formerly Clean Needles Now), Los Angeles, CA. 2010-2015.

External reviewer. Division of HIV/AIDS Programs, CDC. Atlanta, GA. 2009.

Expert. New York City Health Commissioner, New York, NY. 2009.

Consultant. Research Consultation to Address Intervention Strategies for HIV/AIDS Prevention with African Americans. CDC. Atlanta, GA. 2007.

F. Research Activities:

Major Areas of Research Interest

- HIV epidemiology and prevention for injection drug users and gay men
- Community influences on health behaviors and risk
- Drug use epidemiology
- Health disparities
- Community-based participatory research methods
- Qualitative and mixed method research designs

Proposals Under Review and/or Development (last 12 months)

Cannabis use and health outcomes among opioid-using people who inject drugs in the context of cannabis legalization. (MPI: Bluthenthal/Corsi), RO1 to NIDA. Impact Score=14; Percentile=1.0. (Pending Council meeting 9/2018).

Adaptation of “Sniffer” intervention for black tar heroin and methamphetamine users (PI: Bluthenthal), R34, under development.

Research Grants as PI		Total	FDC
1.	<i>Preventing injection initiation: The Change the Cycle randomized controlled trial.</i> Grant #R01DA038965. (Principal Investigator [PI]: Bluthenthal [contact]/Kral). National Institute on Drug Abuse (NIDA). August 2015 to June 2019.	\$2,965,014	\$2,383,737
2.	<i>Partners for Strong, Healthy Families (PSHF).</i> Grant #1R24MD007978. (PI: Bluthenthal[contact] /Baezconde-Garbanati/Galvan). National Institute on Minority Health and Health Disparities (NIMHD). August 2013 to March 2018.	\$1,315,557	\$1,020,705
3.	<i>Exploratory research on late initiates to injection drug use.</i> Grant#1R01DA027689. (PI: Bluthenthal/Kral). NIDA. September 2010 to August 2015.	\$1,706,200	\$1,132,000
4.	<i>Understanding the effects of land-use regulation on the built environment and crime.</i> (Subcontract PI: Bluthenthal; PI: James M. Anderson, RAND Corporation). Robert Wood Johnson Foundation, Public Health Law Research Program. January 2010 to May 2012.	\$386,349	
5.	<i>International feasibility study of pharmacy-based HIV prevention: San Francisco.</i> Grant#R21DA024966 (Subcontract PI: Bluthenthal; PI: Alex H. Kral, RTI). NIDA. January 2009 to December 2011. FDC	\$275,000	
6.	<i>The HJ MILE HIV Prevention Intervention for Post-incarcerated Bisexual African American Men.</i> Grant #1UR6PS0001098 (PI: Bluthenthal). Centers for Disease Control and Prevention (CDC). September 2008 to September 2013.	\$1,326,000	\$925,000
7.	<i>Tamar House Residential Treatment Evaluation.</i> (Subcontract PI: Bluthenthal; PI: Kathryn Icehower) SAMHSA, Shields for Families. July 2007 to June 2010.	\$300,000	
8.	<i>The Impact of Business Improvement Districts on Youth Violence.</i> Grant #1U49CE000773. (PI: MacDonald [contact]/Bluthenthal). CDC October 2005 to September 2010.	\$2,280,461	\$1,801,139
9.	<i>Syringe exchange program evaluation.</i> no grant #, (PI: Bluthenthal) Los Angeles County Department of Public Health, 2007-09.	\$50,000	
10.	<i>Evaluation of syringe exchange services,</i> no grant #, (PI: Bluthenthal), Office on AIDS, City of Los Angeles, 2007-09	\$21,622	
11.	<i>The influence of pharmacy-based syringe disposal on unsafe syringe discard among injection drug users in</i>	\$450,000	

	<i>California, Grant #06-55589, (PI: Bluthenthal), California State Department of Public Health, 2006-09</i>		
12.	<i>Evaluation of Harm Reduction Coalition Technical Assistance to Syringe Exchange Programs, no grant #, (PI: Bluthenthal), Harm Reduction Coalition/ California Department of Public Health, 2006-09</i>	\$55,000	
13.	<i>Evaluation of SB1159 implementation in Los Angeles County, no grant #, (PI: Bluthenthal) Drug Policy Alliance, 2006-09</i>	\$39,000	
14.	<i>Understanding outcome disparities in alcohol treatment, Grant#R21 AA013813, (Co-Investigator/PI: Bluthenthal) National Institute on Alcohol Abuse and Alcoholism (NIAAA), 2003-06</i>	\$429,000	\$300,000
15.	<i>GIS, Alcohol Marketing, and Alcohol-Related Outcomes. Grant #R01AA013749, (Subcontract PI: Bluthenthal; PI: Cohen at the RAND Corporation) NIAAA 2003-06.</i>	\$339,117	\$234,977
16.	<i>Community context, SEP operations, & HIV risk among IDUs, Grant #R01 DA014210, (PI: Bluthenthal), NIDA, September 2002 to August 2007.</i>	\$3,347,421	\$2,655,722
17.	<i>Targeted HIV prevention and expansion. No grant # (Subcontract PI: Bluthenthal), Shields for Families/SAMHSA, September 2002 to August 2007</i>	\$375,000	
18.	<i>Malt beverage use & outcomes in a minority community, Grant#R21 AA013534, (PI: Bluthenthal), NIAAA, 2001-04</i>	\$286,000	\$200,000
19.	<i>HIV impacts of local legislation of SEPs in California, Grant#R06/CCR918667, (PI: Bluthenthal), CDC, 2000-04</i>	\$750,000	~\$600,000
20.	<i>The impact of treatment on demand on injection drug users in the San Francisco Bay Area, no grant #, (Co-PI: Bluthenthal), RWJF, 1998-2001</i>	\$400,000	
21.	<i>Diffusion of benefit through syringe exchange programs. Grant #1PO1MH056826, (Subcontract PI: Bluthenthal), Yale University/National Institute on Mental Health, 1997 to 1999.</i>		Not available
22.	<i>Syringe Exchange and HIV Risks in Natural Settings. Grant # R01DA009532, (PI: Bluthenthal). NIDA. 1998.</i>	\$550,452	
23.	<i>The social impact of withdrawal of disability benefits for drug and alcohol addiction, no grant#, (Co-PI: Bluthenthal), RWJF, 1997-99</i>	\$400,000	

Other research activities

Co-investigator. *An ethno-epidemiological study of the implementation and effectiveness of an innovative and comprehensive response to the opioid epidemic.* (MPI: Ryan McNeil (contact), Thomas Kerr, University of British Columbia). July 2017 to April 2022.

Co-investigator. *Impact of a novel law-enforcement delivered intervention on drug user health.* (PI: Peter J. Davidson, University of California San Diego). May 2016 to February 2021.

Co-investigator. *Ethical issues in collaborations between researchers and community organizations.* (PI: Peter J. Davidson, Ph.D., University of California San Diego). April 2015 to March 2017.

Co-investigator. *Passport to Wellness Intervention for Black MSM. California HIV/AIDS Research Program.* (PI: Nina Harawa, Ph.D., Charles R. Drew University). March 2014 to April 2017.

Vice Chair, Protocols CCTG 594/s – *Engagement and Retention in Care for HIV+ Network Sampling* and CCTG 595/s - *Retention and Adherence to PrEP – Network Sampling,* California Collaborative Treatment Group (CCTG). California HIV/AIDS Research Program. (PI: Michael Dube, M.D., University of Southern California). June 2012 to July 2015.

Co-Investigator. *Evaluation of the Los Angeles County Substance Abuse Prevention and Control Prevention Services Initiative.* Los County Department of Public Health. (PI: Luanne Rohrbach, University of Southern California). January 2012 to June 2016.

Co-investigator. *The impact of terminating a 20-year cohort study among women living with HIV.* CTSI-USC. (PI: Joel Milam, Ph.D., University of Southern California). July 2013 to June 2014.

Co-Investigator. *The Public Health Consortium for HIV Disparities Research.* Universitywide AIDS Research Program (UARP). (PI: Eric Bing, Charles R. Drew University of Medicine and Science). July 2005 to June 2008.

Co-Investigator. *Urban Congregations' Capacity for HIV Prevention & Care.* National Institute on Child and Human Development (NICHD). (PI: Kathryn Derosé, RAND Corporation). May 2005 to April 2010.

Co-Investigator. *Increasing HIV Testing through a Health-Promotion Focus.* Universitywide AIDS Research Program. (PI: Frank Galvan, Charles R. Drew University of Medicine and Science). November 2002 to July 2005.

Core Director. *Drew/UCLA Project Export Center.* National Center on Minority Health and Health Disparities (NCMHD). (PI: Keith Norris, Charles R. Drew University of Medicine and Science) October 2002 to September 2007.

Investigator. *Alcohol outlets, broken windows, gonorrhea and HIV risk.* National Institute on Child Health and Human Development (NICHD). (PI: Deborah Cohen, RAND Corporation). July 2002 to June 2005.

Co-Investigator (RAND). *Partner-Oriented Drug Treatment & HIV Risk Reduction*. National Institute on Drug Abuse. (PI: Martin Y. Iguchi, RAND Corporation). September 2001 to December 2005.

Co-Investigator. *HIV prevention for crystal methamphetamine users*. National Institute on Drug Abuse (PI: David Kanouse, RAND Corporation). 2000 to 2001.

Co-Investigator & Core Director. *Drew Center for AIDS Research, Education, and Services*. Universitywide AIDS Research Program (UARP). (PI: Eric Bing, Charles R. Drew University of Medicine and Science). January 2000 to June 2005.

Co-Investigator. *Los Angeles Adolescent Case Study*. Center on Substance Abuse Treatment (CSAT). (PI: Andrew Morral, RAND Corporation). December 1999 to April 2005.

Associate Core Director. *Center for HIV Prevention, Treatment, and Services*. National Institute on Mental Health. (PI: Mary Jane Rotheram, UCLA). 1998 to 2000.

G. Invited Lectures:

Grand Rounds

We can prevent HIV among people who inject drugs (PWID), but will we?
Implementation barriers to evidenced-based prevention for PWID. UCLA AIDS Institute/Center for AIDS Research, UCLA. March 6, 2015.

Other

- Homelessness among people who inject drugs. 2018 USC Summit: Ending Homelessness in Los Angeles. USC Suzanne Dworak-Peck School of Social Work. April 20, 2018.
- The emerging injection drug use crisis: Consequences and prevention options. Behavioral and Social Science Department, School of Public Health, Brown University. March 2, 2018.
- The opioid addiction crisis: Increasing treatment and de-regulating alternatives. 36th Annual Client Workshop. SIT Investment Associates. Dana Point, CA. Feb. 17, 2018.
- The impact of the opioid epidemic on drug injection: Evidence and public health implications. Population Health Spotlight. Dornsife School of Public Health, Drexel University, October 18, 2017.
- Use of stimulants among people who inject drugs: Profile from Los Angeles and San Francisco. Stimulant Use: Harm reduction, treatment, and Future Directions. Drug Policy Alliance, Los Angeles, CA, September 25, 2017.
- Opioid crisis and changing dynamics in routes of drug administration. 12th Drug Abuse Research Symposium, Charles R. Drew University of Medicine and Science, Los Angeles, CA, September 15, 2017.
- Improving the health of people who inject drugs: Harm reduction approaches. Student Choice Speaker. Extreme Affordability Conference, School of Medicine, University of Utah, January 21, 2017.

- Trends in injection drug use, injection initiation, and options for preventing injection initiation. CHIPTS cross-core meeting. UCLA, Los Angeles, CA. May 18, 2015.
- HCV testing and treatment access among people who inject drugs in Los Angeles, 2011-13. Hepatitis Advisory Committee. Los Angeles County Department of Public Health. Los Angeles, CA. June 10, 2014.
- All policy implementation is local: The need for outreach and case management to make the promise of ACA real. High Utilizers and the ACA: New Models for Working with Drug Users. LA Community Health Project. Los Angeles, CA, April 21, 2014.
- Gangs and generations: Dynamic factors associated with HIV risk among injection drug users. Centers for AIDS Research (CFAR), Social and Behavioral Sciences Research Network (SBSRN), 7th National Scientific Meeting. "Social, Behavioral, and Policy Perspectives on HIV/AIDS: The District of Columbia and Beyond." Washington, D.C., October 23-24, 2013.
- Harm reduction approaches to infectious diseases among injection drug users. Department of Infectious Diseases. Keck School of Medicine, University of Southern California, Rand/Schrader 5P21 Clinic. Los Angeles, CA, October 18, 2012.
- Keynote Address. "Social Works Matters," All School Day at School of Social Work, University of Nevada, Reno, March 30, 2012.
- Commencement Address. Merrill College Graduation Ceremony, University of California, Santa Cruz, June 11, 2011.
- Injection-related HIV risk among injection drug users in Los Angeles, 2001 to 2009. 2010 HIV Data Summit, Los Angeles County Office on AIDS Programs and Policy, California Endowment, September 3, 2010.
- A strengths-based approach to HIV prevention for injection drug users: Evidence from programs to expand access to sterile syringes. U.S.-Russia Workshop on HIV Prevention Science, EECAAC 2009 Meeting, Moscow, Russia, October 28-30, 2009.
- Harm reduction and syringe access programs in the City and County of Los Angeles. The Los Angeles HIV Research & Community Colloquia. Los Angeles, California, October 1, 2009.
- Overview of SEPs in California. Center Point Conference II. Office of AIDS, California Department of Public Health. Sacramento, CA, April 25, 2009.
- Research and science supporting effectiveness of syringe exchange programs: Ending the ban on federal funding of syringe exchange preventing HIV and Hepatitis C in our communities. Congressional Briefing, Rayburn Office Building. Washington, D.C., February 18, 2009.
- Effect of Business Improvement Districts (BIDs) on Violent Crime in Los Angeles. With John MacDonald. Congressional Briefing. "Reducing Violent Crime at Places: The Research Evidence. Center for Evidence-based Crime Policy. Senate Russell Building, SR385. Washington, D.C., February 3, 2009.
- Faculty-Student Research and Mentorship Special Focus: McNair Scholars Program in the California State University. California State University Board of Trustees Meeting. Long Beach, California, November 19, 2008.

- Policy Implications of Research on Prisoner Health and Risk Behavior – What’s Going on Inside and Can Research Change Policy? Health Justice Action Conference 2008. Center for Health Justice. Universal City, California. August 22, 2008.
- An HIV prevention policy research agenda for injection drug users. With Alex H. Kral. Establishing Evidence for Social & Behavioral HIV Prevention. California HIV/AIDS Research Program, California State Office of AIDS, & San Francisco AIDS Foundation. San Francisco, CA. March 6-7, 2008.
- Harm reduction and syringe exchange programs: A review of the evidence. Los Angeles County Bar Association Bioethics Committee. Los Angeles, California. November 14, 2007.
- Longitudinal studies on HIV risk among injection drug users: The case of syringe exchange programs.” Summer Institute on Longitudinal Research, UCLA Center for Advancing Longitudinal Drug Abuse Research and UCLA Integrated Substance Abuse Program. Los Angeles, California. August 14, 2006.
- HIV risk among syringe exchange program participants: Results from the California Syringe Exchange Program Study (CalSEP). Symposium on Substance Use, HIV and Public Health in California. California DHS Office of AIDS, Sacramento, CA, May 18, 2006.
- HIV risk among minority injection drug users. Bridging Science and Culture to Improve Drug Abuse Research in Minority Communities. NIDA sponsored conference. Atlanta, Georgia, October 24-26, 2005.
- California Syringe Exchange Programs in California: Update from the CALSEP Study. The Central Point Conference: Improving Health and HIV Prevention among Substance Using Populations. Office of AIDS, California Department of Public Health. Sacramento, California, February 26, 2004.
- Impact of Police Practices on the Health of IDUs in the San Francisco Bay Area with Alex Kral. Public Health, Research, and Law Enforcement: The Case of HIV/AIDS. Yale School of Public Health. New Haven, Connecticut. November 5, 2003.
- Legalizing syringe exchange programs to improve public health.” RAND Health Board of Advisors. RAND Corporation. Washington, D.C. October 30, 2003.
- The impact of legal status on syringe exchange program operations and outcomes in California. North-Central California Center for AIDS Research, UC Davis. Sacramento, CA. April 23, 2003.
- Syringe Exchange Program Diversity and Correlates of HIV risk and Health Outcomes: Preliminary results from the California Syringe Exchange Program Study. Office of AIDS, Department of Health Services, State of California. Sacramento, CA April 22, 2003.
- Scientific research establishing the relationship between needle laws and the rates of HIV/AIDS. Can We Curb the spread of HIV/AIDS and Hepatitis among those who inject drugs?: A Public Policy and Science Forum. California State Capital, Sacramento, CA. April 12, 2002.

- Harm Reduction Overview. 5th Annual Conference on AIDS and Violence. Students Organized for Medical AIDS Awareness & The USC Violence Intervention Program. Keck School of Medicine. University of Southern California. Los Angeles, CA. January 9, 2002.
- Social and racial disparities in HIV infection among injection drug users. Bridging the Power of Science and Culture to Improve Drug Abuse Research in Minority Communities. National Institute on Drug Abuse. Philadelphia, PA, September 24-26, 2001.
- Syringe access, syringe replacement, syringe possession: Ongoing challenges to combating HIV among injection drug users. The Los Angeles HIV Research & Community Colloquia. Office on AIDS Policy and Planning, Los Angeles County. Pasadena, California, February 1, 2001.
- Risk Environments, Community Context and Racial Disparities in HIV Infection among Injection Drug Users. Yale AIDS Colloquium Series. New Haven, CT., October 19, 2000.
- Understanding Racial Disparities in HIV Infections among Injection Drug Users: The Role of Neighborhood Context. Sociology Colloquium. UCLA. Los Angeles, California, May 19, 2000.
- Rapporteur: Social/Behavioral Sciences. Third Annual Conference on AIDS Research in California & Seventeenth Annual Universitywide AIDS Research Program Meeting. South San Francisco, California, February 25, 2000.
- Rethinking the War on Drugs: Grassroots and Policy Strategies. Speaking Truth To Power, UCLA School of Law, Los Angeles, California. September 25, 1999.
- Syringe Exchange Programs and HIV Prevention. Advisory Board Briefing, Drug Policy Research Center, RAND. Santa Monica, California. June 5, 1999.
- Race, Poverty, and Disease: HIV/AIDS among African American Injection Drug Users. Department of Community Health, Portland State University, Portland, Oregon. June 1, 1999.
- Public Health vs. Criminalization Policies: Harm Reduction or Zero-Tolerance. Los Angeles Citizens' Fact-Finding Commission on the War on Drugs. Institute for Policy Studies, Los Angeles, California. May 22-23, 1999.
- Research on Syringe Exchange Programs in California Summary remarks made to the California Assembly Health Committee. Sacramento, California. April 6, 1999.
- Syringe Exchange Programs, Harm Reduction, and HIV Prevention: Accomplishments, Limitations, and Future Prospects. The Los Angeles HIV Research & Community Colloquia. Office on AIDS Policy and Planning, Los Angeles County Pasadena, California, February 25, 1999.
- Methadone Maintenance, Needle Exchange and Medical Marijuana. Joint Informational Hearing of the Senate Committee on Public Safety, the Senate Committee on Health and Human Services, and the Assembly Committee on Public Safety. Sacramento, California, February 23, 1999.
- Withdrawing SSI Benefits for Drug and Alcohol Addiction: Preliminary Analyses of Economic Effects. with James G. Kahn, Alex H. Kral, and Jennifer Lorvick. Robert Wood Johnson Foundation Substance Abuse Policy Research Program. Charleston, South Carolina, December 9-11, 1998.

- The Impact of Treatment on Demand for Active Injection Drug Users. with Brian R. Edlin. Treatment on Demand in San Francisco: Goals, Progress, and Evaluation. San Francisco Department of Public Health and the San Francisco Foundation. San Francisco, California, April 20, 1998.
- The Social Impact of Withdrawal of SSI Benefits for Drug and Alcohol Addiction: Six-Month Follow-up. Robert Wood Johnson Foundation Substance Abuse Policy Research Program. San Antonio, Texas, December 16-17, 1997.
- Why Needle Exchange is Effective. HIV Prevention Project, San Francisco AIDS Foundation, San Francisco, California, July 12, 1997.
- Does Arresting Syringe Exchange Operators Stop Programs from Being Successful? with Alex H. Kral. Seventh North American Syringe Exchange Conference. San Diego, California, April 24-26, 1997.
- Introduction to Harm Reduction. Community Substance Abuse Services Planning Council on "Treatment on Demand". Department of Public Health. San Francisco, California, April 9, 1997.
- Research on Needle Exchange Programs. Research on Approaches to Reducing the Consequences of Drug Use. San Francisco Treatment Research Center, UCSF. San Francisco, California, January 24, 1997.
- Harm Reduction and Drug Treatment: Contradictory or Complimentary? First Western Regional HIV/AIDS Conference - AIDS is no Laughing Matter: The African American Family Faces the Challenge of HIV/AIDS. Oakland, California, November 14-16, 1996.
- Suppression and Harm Reduction: SEPs in California. First National Harm Reduction Conference. Oakland, California, September 18-21, 1996.
- Harm Reduction in the Black Community: Key Challenges and Effective Techniques. Southeastern Harm Reduction Conference. Atlanta, Georgia, March 22-23, 1996.
- Harm Reduction and Syringe Exchange. Region Nine, Healthcare for the Homeless Conference, San Francisco, California, February 1-2, 1996.
- Needle Exchange Programs in the Bay Area. BAART's Multicultural Advisory Board, San Francisco, California, November 8, 1995.
- Harm Reduction Research and Activism. Northeast Harm Reduction Conference. New York, New York, June 9-10, 1995.
- Surviving Your Needle Exchange Arrest and Trial. Fifth North American Syringe Exchange Conference. San Juan, Puerto Rico, April 26-29, 1995.
