

CURRICULUM VITAE

Iris Chi, MSW, DSW
Chinese American Golden Age Association Frances Wu Chair for Chinese Elderly
Suzanne Dworak-Peck School of Social Work
University of Southern California
669 W. 34th Street
Los Angeles, CA90089-0411
E-mail address: ichi@usc.edu

ACADEMIC QUALIFICATIONS

- 1983 - 1985 University of California, Los Angeles (UCLA)
Doctor of Social Welfare (D.S.W.)
1979 - 1981 California State University, San Diego
Master Degree in Social Work (M.S.W.)
1974 - 1978 Chinese University of Hong Kong (CUHK)
Bachelor of Social Science (B.Soc.Sci.)

HONORS AND AWARDS

- 2019 – 2029 Honorary Professor, Faculty of Law, Qiangdao University of Science and Technology
2019 Congressional Women of the Year Award, 27th Congressional District
2018 Nabuo Maeda International Research Award, The American Public Health Association
2017 – date Honorary Professor, Nanjing Science and Technology University, Nanjing, China
2017 – 2022 Honorary Professor, Master of Social Work Education Center, Beijing Normal University, Beijing, China
2017 – 2022 Honorary Consultant, Evidence-based Social Work Research Center, Jiangsu Civic Affair Bureau, Nanjing, China
2016 – date Distinguished Professor, Department of Sociology, Shanghai Lixin Accounting and Finance College, Shanghai, China
2015 – date Senior Scientist, Global Research, Edwards Roybal Institute on Aging, University of Southern California (USC)
2015 Outstanding Paper Presentation, The 22nd Annual Congress of Gerontology, The Hong Kong Association of Gerontology, Hong Kong
2014 – date Fellow, American Academy of Social Welfare and Social Work (AASWSW)
2013 – 2018 Fellow, Risk Society and Policy Research Center, College of Social Sciences, National Taiwan University, Taiwan
2013 External Academic Assessor, Department of Social Work, National Taiwan University, Taiwan
2012 – 2018 External Research Assessor, College of Liberal Art and Social Science, City University of Hong Kong, Hong Kong
2012 – 2017 Honorary Professor, Nanjing University, Nanjing, China
2012 – date International Academic Advisor, Center for Aging and Health Studies, Institute for Population and Development Studies, School of Public Policy and Administration, Xi'an Jiaotong University, China

2011 – date	Distinguished Fellow, Sau Po Center on Aging, HKU
2011 – date	Member of the Phi Tau Phi Scholastic Honors Society of America
2011 – date	Society of Fellow, USC Dornsife College
2010 – 2011	Distinguished Visiting Scholar, Department of Applied Social Science HKU & City University of Hong Kong
2010	Outstanding paper, 18 th Annual Congress of Gerontology Hong Kong Association of Gerontology, Hong Kong
2010 – date	Fellow, Gerontological Society of America (GSA)
2010	Gary Andrews Fellow International Association of Geriatric and Gerontology
2010 – date	Honorary Professor, Renmin University of China, Beijing, China
2009 – 2013	Inaugural member, Scientific Governing Board USC Edward R. Roybal Institute on Aging
2009	Sterling C. Franklin Award for Distinguished Faculty, USC
2007 – 2012	Special Research Fellow, Social Policy Research Center College of Social Sciences, National Taiwan University
2006 – date	Advisory Committee Member Center of Research on Disability and Development, China
2006	Mellon Awards for Excellence in Mentoring, USC
2005 – 2012	Hartford National Geriatric Social Work Program Advisor
2005 – date	Honorary Professor of Gerontology Andrus Gerontology Center, University of Southern California, USA
2004 – date	Honorary Professor, Department of Social Work and Social Administration, the University of Hong Kong (HKU), Hong Kong
2004	Bronze Bauhinia Star, The Government of Hong Kong Special Administrative Region, China
2003 – date	International Consultant, The Hong Kong Jockey Club Centre for Suicide Research and Prevention, HKU, Hong Kong
2002 – date	Honorary Professor, East China University of Science and Technology, China
2002 – date	Honorary Professor, Peking University, Beijing, China
2002 – date	Honorary Professor, Fudan University, Shanghai, China
2002 – 2018	Honorary Professor and Research Fellow China National Ageing Committee, Beijing, China
2000 – date	Fellow of interRAI, University of Michigan, USA
2000 – date	Justice of Peace The Government of Hong Kong Special Administrative Region, China
1999 – date	Honorary Professor and Associated Health Researcher Center on Aging, University of Victoria, BC, Canada
2001 – 2008	Consultant and Mentor China-Rochester Suicide Research Centre, University of Rochester, USA
1999 – 2004	Temporary Adviser and Consultant WHO Kobe Centre for Health Development, Japan, WHO Western Pacific Regional Office, Philippines and WHO Headquarter Ageing and Life Course Programme (ALC), Geneva
Aug. 2003	IPA Awards for Research in Psychogeriatrics 11 th Congress of International Psychogeriatrics Association
2002	Outstanding Paper Award Hong Kong Institute of Gerontology, Hong Kong
1997 – 2002	Honorary Professor, East China Normal University, Shanghai, China
1999 – 2001	Outstanding Teaching Award, Faculty of Social Sciences, HKU, Hong Kong

Sept. 1997	Award for Outstanding Research in Gerontology Hong Kong Association of Gerontology, Hong Kong
May 1997	Certificate of Merit for Housing Research Hong Kong Institute of Planners, Hong Kong
Nov. 1994	Best Research of the Year 1994 The Hong Kong College of General Practitioners, Hong Kong
1992/2001	Distinguished Fellow, K C Wang Education Foundation Fund

RECENT INVITED PRESENTATIONS

1. (February, 2021). "Developing a Body-Mind-Spirit caregiver self-care program and a mobile application for the Chinese Americans in the United States". Invited presenter in the Roybal Showcase Webinar, USC Edward R. Roybal Institute on Aging.
2. (December, 2020). "Social work graduate studies and career". Invited speaker in the virtual public lecture at Shanghai Lixin University of Accounting and Finance.
3. (November, 2020). "Social work research and practice during Covid-19". Invited keynote speaker in the Second China Evidence-based Social Science Network Annual Virtual Meeting, Nanjing Science and Technology University.
4. (November, 2020). "Pandemic, politics & disparity: Asian American social work leaders weigh in on what's next". Invited panel speaker in webinar program, USC SDPSSW.
5. (November, 2020). "Long term care in Chinese communities in Asia". Invited speaker in the public lecture of the USC US-China Institute.
6. (October, 2019). "Developing and evaluating an intergenerational mobile technology program for older adults with diabetes in Taiwan". Invited speaker in the 11th IAGG Asia-Oceania Regional Conference, Taipei, Taiwan.
7. (August, 2019). "Evidence-based Research in Social Work Education". Invited speaker in the Eleventh Social Work Education Association Suwan Regional Conference, Xuzhou, China.
8. (June, 2019). "Developing a Body-Mind-Spirit Caregiver Self-Management Program and a Mobile Application for Chinese Americans". Invited speaker in Faculty Training Seminar, Faculty of Applied Social Science, City University of Hong Kong.
9. (June, 2019). "Policy and Programs for Supporting Caregivers in the United States". Invited keynote speaker in International Symposium on Family Caregiving: Policy, Research and Practice. Sau Po Centre on Ageing, The University of Hong Kong.
10. (June, 2019). Invited panel discussant in International Symposium on Family Caregiving: Policy, Research and Practice. Sau Po Centre on Ageing, The University of Hong Kong.
11. (June, 2019). "The Development of Industrial Social Work and its Implications to Social Work Education in China". Invited keynote speaker in Shanghai Economic and Finance University, Shanghai, China.
12. (June, 2019). "Evidence-based Research and Practice: Implication on Social Work Education". Invited speaker in Social Work Public Lecture Series, Shanghai Commerce University, Shanghai, China.
13. (May, 2019). "International Advancement in Social Work Research and Evidence-based Practice". Invited speaker in the 6th National Seminar on Evidence-based Social Work Research Methods". Shengxi Social Workers Association and China Academy of Social Work, Xi'an.
14. (May, 2019). "Evidence-based Social Work Practice". Invited speaker in Social Work Public Lecture Series, School of Law, Qingdao University of Science and Technology, Shangdong.
15. (May, 2019). "Social Work Education in the United States". Invited speaker in Public Lecture, School of Health Sciences, Nanjing Medical University, Nanjing, China.
16. (May, 2019). "Results of Intergenerational Mobile Technology Opportunities Program (IMTOP)". Invited panel speaker in Symposium on Chronic Care Self-management Program for Diabetes. Faculty of Public Affairs, Nanjing University of Science and Technology.
17. (May, 2019). Invited panel discussant in Symposium on Chronic Care Self-management

- Program for Diabetes. Faculty of Public Affairs, Nanjing University of Science and Technology.
18. (May, 2019). Invited panel discussant in Symposium on Humanity-Technology-Health. Jiangsu Social Worker Association and Faculty of Public Affairs, Nanjing University of Science and Technology. Nanjing, China.
 19. (October, 2018). “Development of Social Work in China”. Invited speaker, School of Social Work, Columbia University, New York.
 20. (June, 2018). “Mentoring PhD Students”. Invited speaker in City University of Hong Kong, Hong Kong.
 21. (June, 2018). “Social Work Strategies in Promoting Healthy Aging”. Invited keynote speaker in 2018 International Healthy Aging Social Work Conference, Huadong Hospital, Shanghai, China.
 22. (April, 2018). “The Community and In-home Support Services in the United States”. Invited keynote speaker in University of Social Sciences, Singapore.
 23. (April, 2018). “Quality of Death and Dying”. Invited keynote speaker in Social Work Public Lecture, Shanghai Lixin Accounting and Finance College, Shanghai, China.
 24. (March, 2018). “End of Life Care”. Invited panel speaker in the Community Event, Chinese American Coalition for Compassionate Care, El Monte, California.
 25. (February, 2018). “The Importance of Self-Management of Health for the Caregivers”. Invited speaker in public lecture of New Valley Adult Day Health Care Center, San Gabriel, California.
 26. (January, 2018). “Supports to the Caregivers”. Invited speaker in public lecture of Sunflower Day Health Care Center, Pasadena, California.
 27. (November, 2017). “Aging Experience in the United States among Chinese Immigrants”. Invited keynote speaker in Social Work Public Lecture, Shanghai Lixin Accounting and Finance College, Shanghai, China.
 28. (October, 2017). “Research Agenda Prepared for WHO Decade of Healthy Aging 2020 – 2030”. Invited Roundtable Discussant, University of Hong Kong, Hong Kong.
 29. (October, 2017). “Caregiver Survey Instrument Development in Hong Kong”. Invited panel speaker in the Instrument Development Strategy Seminar, interRAI ISD Committee, Hong Kong.
 30. (October, 2017). “Using interRAI Standardized Assessment Instruments to Improve Care for Frail Elders and Other Vulnerable Persons”. Invited panel speaker in the International Symposium on Big Data on Health and Mental Health, University of Hong Kong, Hong Kong.
 31. (September, 2017). “Integrating Evidence-based Research and Practice in Social Work Education”. Invited keynote speaker in the Ninth Social Work Education Association Suwan Regional Conference, Nanjing, China.
 32. (September, 2017). “Teaching Social Work Research Synthesis in China: Experience Sharing”. Invited speaker in the First International Conference on Social Work Research Synthesis, Nanjing, China.
 33. (September, 2017). “The Development of Social Work in China”. Invited speaker in Chinese Christian Fellowship, New York.
 34. (June, 2017). “Needs of Chinese Aging Migrants and their Caregivers in the United States”. Invited keynote speaker in the 4th International Conference on Ageing in a Foreign Land, LOGOS Australian Centre for Hellenic Language and Culture and the Department of Language Studies at Flinders University, Adelaide, Australia.
 35. (June, 2017). “Do Human Service Models Create Dependency and how Culture Unlocks Potential?” Invited panel speaker in the preconference panel of the 4th International Conference on Ageing in a Foreign Land, South Australian Health and Medical Research

Institute (SAHMRI), Adelaide, Australia.

36. (June, 2017). Invited panel speaker in the closing plenary session of 4th International Conference on Ageing in a Foreign Land, LOGOS Australian Centre for Hellenic Language and Culture and the Department of Language Studies at Flinders University, Adelaide, Australia.
37. (June, 2017). “Intergenerational Care and Care for Chinese Populations”. Invited speaker in the International Perspectives Seminar, School of Nursing & Midwifery, Flinders University and Resthaven Inc.
38. (April, 2017). “Master of Social Work Education in the United States”. Invited keynote speaker in the Professional Social Work Manpower Training in China Seminar. Ministry of Civil Affairs, Beijing Normal University, Beijing, China.
39. (March, 2017). “Plans and Tactics in Publishing Peer-Review Journals”. Invited speaker in the Shanghai Association of Social Work Education, Fudan University, Shanghai, China.

RECENT CONFERENCE PRESENTATIONS:

1. Yu, K., Aranda, M., Wu, S. & Chi, I. (January, 2021). Big-5 personality and loneliness in older adults: A growth curve model for two parallel processes. Paper presentation at the 25th Annual Conference of the Society for Social Work and Research.
2. Jang, Y., Powers, D. A., Park, N. S., Chiriboga, D. A., Chi, I., & Lubben, J. (January, 2021) Performance of an abbreviated Lubben Social Network Scale among three ethnic groups of older Asian Americans. Poster presentation at the 25th Annual Conference of the Society for Social Work and Research.
3. Li, T., Jiang, Y. & Chi, I. (November, 2020). A pilot study on the effect of a self-directed learning program on Asian American caregivers. Poster presentation at the 2020 Annual Scientific Meeting of Gerontological Society of America.
4. Wang, Y., Liu, M. & Chi, I. (November, 2020). An evaluation of self-care and caregiving training curriculum content for Chinese American immigrant caregivers: A co-design approach. Paper presentation at the 2020 Annual Scientific Meeting of Gerontological Society of America.
5. Mao, W., Wu, B., Chi, I., Yang, W., & Dong, X.Q. (Nov., 2020). Neighborhood cohesion, acculturation, and oral health problems among older Chinese American Immigrants. Paper to be presented online in the symposium entitled “Immigrant older adults: Is diversity a challenge for a global initiative?” Paper presentation at the 2020 Annual Scientific Meeting of Gerontological Society of America.
6. Mao, W., Wu, B., Chi, I., Yang, W., & Dong, X.Q. (Nov., 2020). Acculturation, neighborhood disorder, and subsequent oral health problems among foreign-born older Chinese Americans. Paper to be presented online in the symposium entitled “Social and behavioral factors, oral health, and dental care utilization”. Paper presentation at the 2020 Annual Scientific Meeting of Gerontological Society of America.
7. Yu, K., Wu, S. & Chi, I. (October, 2020). A assessing feasibility of implementing a type 2 diabetes mHealth program in affordable senior housing. Paper presented at American Public Health Association Annual Virtual Meeting and Expo.
8. Yu, K., Wu, S., Chi, I. (October, 2020), Longitudinal assessment of geriatric conditions and loneliness. Paper presentation at American Public Health Association Annual Virtual Meeting and Expo.
9. Yu, K., Wu, S., Liu, R., Chi, I. (October, 2020), Mobile Technology Adoption for Type 2 Diabetes Management among Chinese and Hispanic Immigrants: A qualitative pilot study. Oral presentation at American Public Health Association Annual Virtual Meeting and Expo.
10. Yu, K., Jiang, H., Liu, M., Wu, S., Jordan-Marsh, M., Chi, I. (October, 2020), Discerning Unmet Self-care Need and Co-design of a Mobile App with Chinese Immigrant Caregivers to Promote

Self-Care. Oral Presentation at Gerontological Society of America Annual Scientific Virtual Meeting.

RESEARCH GRANTS

Since 1988, I have participated in more than 118 major research projects, 20 large training and conference grants. Majority of these grants were awarded to me as the principal investigator. I have also been involved in 10 international collaborative projects. Six projects have won the research awards.

1. "Study on the social aspects of elderly hip fractures patients in Hong Kong". Research and Conference Grants Committee of the University of Hong Kong. 1987-1989. HK\$80,000. Principal investigator
2. "A health survey of elderly in Hong Kong". University Grant Council. 1988-1989. HK\$150,000. Principal investigator.
3. "Elderly dietary calcium intake and other risk factors in osteoporosis study". Research and Conference Grants Committee of the University of Hong Kong. 1988-1990. HK\$50,000. Principal investigator.
4. "Evaluation on the respite care service for the elderly in Hong Kong". The Jockey Club Charities Trust. 1989-1990. HK\$120,000. Principal investigator.
5. "An evaluation study of the health promotion program for the elderly in Hong Kong". St. James' Settlement. 1989-1995. HK\$350,000. Principal investigator.
6. "Evaluation on the skill laboratory training of the BSW program in the department of social work of the University of Hong Kong". The Research and Conference Grants Committee of the University of Hong Kong. 1989. Co-investigator.
7. "Study on the social support of the cancer patients in Hong Kong". The Chinese University of Hong Kong. 1989-1990. Co-investigator.
8. "Pilot study on the mental health instruments for the elderly in Hong Kong". The Research and Conference Grants Committee of the University of Hong Kong. 1990-1992. HK\$50,000.

- Principal investigator.
9. "Cross-national study of elderly Chinese, and Chinese Americans". Centre for Pacific Rim Studies of the University of California. 1990-1992. US\$1,500,000. Co-investigator.
 10. "Health risk, health condition survey of the old-old in Hong Kong". The Croucher Foundation. 1991-1994. Co-investigator
 11. "A mental health and social support study of the old-old in Hong Kong". Research Grant Council. 1992-1994. HK\$200,000. Principal investigator.
 12. "Cross-national study of elderly Japanese, and Japanese Americans". The Centre for Pacific Rim Studies of the University of California and some private funding. 1992-1996. Co-investigator.
 13. "Community attitudes to institutional care of the aged". The Research and Conference Grants Committee of the University of Hong Kong. 1993-1994. Co-investigator. Best Research of the Year 1994 Award by the Hong Kong College of General Practitioners.
 14. "Community care and the elderly in Hong Kong: A study of quality of life in the elderly". The Research and Conference Grants Committee of the University of Hong Kong. 1994. HK\$100,000. Principal investigator.
 15. "A trend study of the older people in Hong Kong". Research Grants Council of the Government of Hong Kong Special Administrative Region. 1995. HK\$340,000. Principal investigator.
 16. "An epidemiological study of depression and cognitive impairment among the elderly in Shatin". Croucher Foundation and other private donations. 1994-1996. Co-investigator.
 17. "A comparative study of drug utilization among the Chinese elderly in Canada and Hong Kong". 1995. Principal investigator.
 18. "A comparative study on the adaptation of Chinese elderly in Beijing, Guangzhou, Shanghai, Suzhou, Hong Kong and Vancouver". The Research and Conference Grants Committee of the University of Hong Kong, HK\$150,000 and the University of Victoria, \$35,000. 1995-1996. Principal Investigator.
 19. "A comparative study on the cultural factors in illness and health seeking behaviour of the Chinese elderly in Beijing and Hong Kong". The University of Missouri. 1996. HK\$100,000. Principal investigator.
 20. "Case management in long term care". The United Kingdom/Hong Kong Joint Research Scheme of the British Council. 1995-1996. \$77,980.
 21. "Market and marketing research for senior citizen residences". 1995-1996. Hong Kong Housing Society, the Government of Hong Kong Special Administrative Region, China. 1995-1996. Co-investigator. '97 Certificate of Merit by the Hong Kong Institute of Planners.
 22. "A study of the needs of elderly people in Hong Kong for residential care and community support service". The Health & Welfare Branch of the Government of Hong Kong Special Administrative Region, China. 1996.
 23. "Elderly suicide study". The international Befrienders. 1996. HK\$90,000. Principal investigator. 10th Anniversary Award for Outstanding Research in Gerontology from the Hong Kong Association of Gerontology in September 1997.
 24. "The utilization of aged care services by frail elderly and their family carers". The Health Service Research Grant, Hospital Authority of the Government of Hong Kong Special Administrative Region, China. 1996. HK\$707,922.
 25. "Use of the Minimum Data Set (MDS) to assess the health outcomes among the frail elderly". The Research and Conference Grants Committee of the University of Hong Kong. 1997-1998. \$76,956. Principal investigator.
 26. "Evaluation study on social networking for the elderly". The Social Welfare Department of the Government of Hong Kong Special Administrative Region, China. 1997-1998. HK\$0.5 million.
 27. "Falls and fall-related injuries in community-dwelling elderly persons in Hong Kong". The Health Services Research Committee of Hospital Authority, the Government of Hong Kong

- Special Administrative Region, China. 1997. HK\$669,160. Co-investigator.
28. “Review of care services for elderly living in the community”. The Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region, China. 1998. HK\$792,000. Principal Investigator.
 29. “Use of intellectual ability tests to assess the cognitive ability among the Hong Kong Chinese older adults”. Research and Conference Grants Committee of the University of Hong Kong. 1998. HK\$180,000. Principal Investigator.
 30. “A longitudinal study of the older people in Hong Kong”. The University Research Committee of the University of Hong Kong. 1998. HK\$120,000.
 31. “A cross-sectional study of intellectual development among Hong Kong adults: Validation of everyday problem solving test”. The University Research Committee of the University of Hong Kong. 1999. HK\$116,000. Co-investigator.
 32. “A longitudinal study of the older people in Hong Kong: Using selection, optimization and compensation as strategies for successful aging”. The University Research Committee of the University of Hong Kong. 1999. HK\$116,000. Principal Investigator.
 33. “To identify psycho-social factors contributing to physical exercise pattern among Hong Kong older adults”. The University Research Committee of University of Hong Kong. 1999. HK\$65,000. Co-investigator.
 34. “A study on the volunteering aspirations of retired or retiring professionals in Hong Kong”. Hong Kong Young Women’s Christian Association. 1999.
 35. “Use of the Minimum Data Set (MDS) to assess the health outcomes among the attendants of elderly health centres”. Health Service Research Committee of a Authority, the Government of Hong Kong Special Administrative Region, China. 1999. HK\$700,000. Principal investigator.
 36. “Consultancy study on gate keeping initiative for elderly services: System of assessment for service matching and prioritization of services”. Social Welfare Department, the Government of Hong Kong Special Administrative Region, China. 1999. HK\$500,000.
 37. “Consultancy study on quality of life of elderly people in Hong Kong”. The Health and Welfare Bureau of the Government of Hong Kong Special Administrative Region, China. 1999. HK\$780,000. Co-investigator.
 38. “Dementia day care centre in central and western district”. S.K. Yee Medical Foundation Grant. 1999. HK\$1,576,310.
 39. “Consultancy for provision of housing and care services for the elderly in public housing estates”. Hong Kong Housing Authority, the Government of Hong Kong Special Administrative Region, China. 2000, HK\$457,680. Co-investigator.
 40. “Consultancy study on the review of day care centres, multi-service centres and social centres for the elderly and integration of elderly care services”. Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region. 1997-1998. HK\$953,000. Co-investigator.
 41. “A multi-disciplinary approach to understanding elderly suicide in Hong Kong”. Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region, China. 1998-2000. HK\$980,000. Co-investigator.
 42. “Develop an effective dementia services for elderly persons in Hong Kong.” United Kingdom/Hong Kong Joint Research Scheme. 1999-2000. HK\$72,040.
 43. “A validation study on the Parkinson disease questionnaire”. Faculty Research Grant of the University of Hong Kong. 2000. HK\$10,000. Principal Investigator.
 44. “A study of accommodation preference in Shenzhen of the older adults from Hong Kong”. The Society of Hong Kong Rehabilitation. 2000-2001. HK\$200,000. Principal Investigator.
 45. “To identify the pattern of physical exercise and determinants contributing to the engagement in physical exercise among Hong Kong older adults”. Health Care & Promotion Fund

- Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 2000-2002. HK\$799,350. Co-investigator.
46. "A community oriented analysis of older adults: Health needs resources for health and health services utilization in Hong Kong". Department of Nursing and Health Science of Hong Kong Polytechnic University. 2001. HK\$200,000. Co-investigator.
 47. "A study of new prototype of ATM for older persons in Hong Kong". Hong Kong and Shanghai Banking Corporation. 2001. HK\$200,000. Co-investigator.
 48. "A study of using RAI 2.0 in residential care homes in Hong Kong". S. K. Yee Medical Foundation Grant. 2001. HK\$500,000. Co-investigator.
 49. "The effects of gerontology and geriatrics programmes of Hong Kong University on the community: A survey on employers, alumni, and educators". The Wu Jieh-Yee Research Fund, University of Hong Kong. 2001. HK\$80,000. Co-investigator.
 50. "Opinion survey on the public's views on age discrimination in recruitment". Education and Manpower Bureau, the Government of Hong Kong Special Administrative Region, China. 2001. HK\$350,000. Principal Investigator.
 51. "Developing a self maintenance therapy for elderly persons with dementia in Hong Kong". Germany/Hong Kong Joint Research Scheme. 2002. HK\$41,900. Principal Investigator.
 52. "The role of cognitive theory and interpersonal theory in depression among Chinese older adults". The University Research Council of University of Hong Kong. 2002. HK\$120,000. Principal Investigator.
 53. Health promotion needs for the soon-to-be old and caregivers in Hong Kong". Elderly Service, Department of Health, the Government of Hong Kong Special Administrative Region, China. 2002. HK\$180,000. Co-investigator.
 54. "A study of anti-smoking attitude among the social workers". The Community Partnership Scheme, Healthy Ageing Committee, the Government of the Government of Hong Kong Special Administrative Region, China. 2002. HK\$890,000. Co-investigator.
 55. "To improve the physical & psychological well-being of elderly residents in nursing homes by utilization of RAI 2.0 in care planning". Health Care & Promotion Fund Committee of the Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 2002. HK\$820,600. Principal Investigator.
 56. "The impact of physical exercise on health care service and social service utilization among Hong Kong Chinese Older adults". University Research Council Small Project Funding, University of Hong Kong. 2002. HK\$80,000. Co-investigator.
 57. "Comprehensive study on the housing needs of the elderly in Hong Kong". Housing Society, the Government of Hong Kong Special Administrative Region, China. 2003. HK\$2,000,000. Co-investigator.
 58. "Depression and causal attribution in Hong Kong older adults". University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$60,000. Co-investigator.
 59. "Depression, self-destructive behavior, suicide among residents of residential facilities for elderly people in Hong Kong". University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$60,000. Principal Investigator.
 60. "Tai Chi and depression: A randomized controlled trial". The project is funded by University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$120,000. Co-investigator.
 61. "Relationship between SARS (Severe Acute Respiratory Syndrome) outbreak and psychological well-being in Hong Kong older adults". Hong Kong Council of Social Service. 2003. HK\$130,000. Co-investigator.
 62. "Family caregiving for dementia elders and social support: A social cognitive approach". Research Grant Council of the Government of Hong Kong Special Administrative Region,

- China. 2003. HK\$499,000. Principal Investigator.
63. “Exercise health promotion in older adults: a randomised controlled clinical intervention study”. Health and Health Service Research Fun of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. HK\$658,644. Co-investigator.
 64. “Who will pay for long term care in Hong Kong: Public or private responsibility?” Research Grant Council of the Government of Hong Kong Special Administrative Region. 2004. HK\$1,102,080. Co-investigator.
 65. “Reverse mortgage: A promising financial tool for “house-rich, cash-poor” older persons in Hong Kong”. University Grant Council for Basic Research, University of Hong Kong. 2004. HK\$112,000. Co-investigator.
 66. “Measuring individualized care for persons with dementia in long-term care facilities: A validation study”. University Development Fund for Applied Neuroscience Research Project, University of Hong Kong. 2005. HK\$94,000. Co-investigator.
 67. “A study on a financially sustainable retirement protection system in Hong Kong”. Research Grant Council of the Government of Hong Kong Special Administrative Region, China. 2005. Co-investigator.
 68. “Building Self Care Capabilities among Asian Older Adults: Internet as Resource”. University of Southern California Undergraduate Research Funds. 2004 and 2006. US\$16,000. Co-investigator.
 69. “Building self care capabilities among Chinese older adults through internet: An outcome study”. University of Southern California Undergraduate Research Funds. 2005. US\$8,800. Principal Investigator.
 70. “Population aging in China: Social, health, and policy implications”. University of Southern California U.S. – China Institute Faculty Research Grant. 2007. US\$15,000. Co-principal investigator.
 71. “Aging policy seminar in China: Teaching and research initiative”. University of Southern California U.S. – China Institute Faculty Research Grant. 2007. US\$7,500. Principal investigator.
 72. “International study of oral health among elderly Chinese migrants”. Canadian Institute of Health Research. 2007. Co-investigator.
 73. “A study investigating factors that affect long-term care use in Hong Kong”. Hong Kong SAR Government Studies in Health Services. 2007. US\$65,000. Co-investigator.
 74. “A study on effectiveness of integrated home care service in community care for elder people in Hong Kong. Research Grant Council, University of Hong Kong. 2008. HK\$78,560. Co-investigator.
 75. “Intergenerational family support for older adults in China”. University of Southern California U.S. – China Institute Faculty Research Grant and School of Social Work Endowed Research Grant. 2008 - 2013. US\$79,500. Co-principal investigator.
 76. “Senior housing study in China”. University of Southern California U.S. – China Institute Faculty Research Grant and Marshall School of Business’ Center for International Business Education and Research and U.S. Department of Education. 2008. US\$15,500. Co-principal investigator.
 77. “Cross-national study on professionalization of social work: The role of social work education”. International Association of Schools of Social Work Project Fund. 2008. US\$4,000. Co-principal investigator.
 78. “Need assessment of older earthquake survivors in Sichuan, China”. Chinese Disaster Research Grant. 2008. \$20,000. Co-principal investigator.
 79. “A study of the interaction pattern between Chinese immigrant grandparents and their adolescent grandchildren”. USC Undergraduate Research Funds. 2008-09. US\$10,000. Principal investigator.

80. "A study investigating factors that affect long-term care use". Elderly Commission of Hong Kong SAR Government. 2008-2009. Consultant.
81. "Longitudinal Study of Grandparenting, Intergenerational Support and Well-being of Older Adults in Rural China". USC Undergraduate Research Funds. 2009-10. US\$6,600. Co-principal investigator.
82. "Validation study of the Hong Kong version of interRAI Mental Health and Intellectual Disabilities". 2009-2010. Consultant.
83. "Study on community care service for the elderly". Elderly Commission of Hong Kong SAR Government. 2009-2011. Consultant.
84. "A study of oldest-old and centenarians in Hong Kong". Hang Seng Jubilee Education Research Fund. 2009-2010. Co-investigator.
85. "Social Capital, Social Exclusion, and Healthy Aging in Older Chinese in Los Angeles". USC Undergraduate Research Program. 2009-2010. US\$6,600. Principal investigator.
86. "Intergenerational Relationships among Chinese Immigrants". US-China Institute Faculty Research Grant. 2010-2011. US\$6,000. Principal investigator.
87. "Americanize with Good Health – Helping Immigrants Keep the Healthy Edge". USC Collaboration Fund. 2011-2013. US\$53,000. Co-Principal investigator.
88. "Grandparents and Grandchildren Left Behind in Rural China: Implications for the Well-being of Older and Younger". US-China Institute Faculty Research Grant. 2011-2012. US\$7,000. Co-Principal investigator.
89. "A Study on the Dementia Care Training Needs of Community Health Workers in Beijing". China Program, USC School of Social Work & Institute of Mental Health, Peking University. 2011-2012. Principal investigator.
90. "Validation Study on interRAI Community Health Assessment (CHA) instrument". Hong Kong Christian Service and Hong Kong Polytechnic University. 2011-2012. Co-Principal investigator.
91. "Aging Families in Taiwan". Tsai Family Research Fund for Taiwan Studies Award. 2012. US\$10,000. Principal investigator.
92. "Needs Assessment of Senior Housing Residents". Chinese American Golden Age Association. 2012. US\$5,000. Principal investigator.
93. "Intergenerational Relationship of Chinese Immigrant Families in Los Angeles". China Program, USC School of Social Work, 2011-2012. Principal investigator.
94. "CSWE US-China Collaborative". USC School of Social Work, 2011-2017. Principal investigator.
95. "Immigrant Health Initiative". USC Research Collaboration Fund, 2012-2014. Co-investigator.
96. "Family Support and the Psychological Well-being of Older Parents in Empty-nest Families in Beijing". Center for Asian and Pacific Studies (CAPS) Grant, University of Iowa. 2012-2013. Co-Principal investigator.
97. "A Health Survey on NAI Families". USC School of Social Work, 2012-2014. Principal investigator.
98. "A study of the interRAI-MH Subjective Quality of Life Instrument for people with mental illness". Hong Kong Polytechnic University and SKHWC, 2014-2015. Co-investigator.
