## Do you provide care for a loved one with memory loss, dementia, or Alzheimer's?

- We are conducting a research study titled "Unidos en el Cuidado" to examine whether 3 weekly classes are helpful for family caregivers of people with memory loss.
- The classes are free and will not affect benefits you receive elsewhere.

### You are eligible for this study if you meet the following criteria:

- You are 18 years of age or older.
- You provide care or assistance to a family member with memory loss, dementia, Alzheimer's disease, or another disorder.
- You are of Latino/Latina/Hispanic descent.
- You can speak and understand Spanish.
- You can participate in classes by videoconference or in person depending on availability.
- You or the person you care for live in California (or have recently lived in California).

**Participation is voluntary.**
